UNVENTURE

[] Contact Rpt. 16 Feb. 61

During the evening Dr. OSCHREITER made the comment that only he, GREGOR and SIDOW had had previous field experience among those sent in the UPHILL Satellite Section. GRABINGER had earlier made a comment that he had served a year and a half in Berlin, from 1957-1958. It therefore appears that GRABINGER has been working for some other F-Rep agency before joining UPHILL.
